1.2.11
a Lesson in the University of The New Covenant

1. I have loved you. I have loved you deeply. I have loved you with a pure love for I am pure and My love is pure. I have sought to purify My Body. I have called My Body to My side many times. I have moved My hand and I have touched nations with My glory, some more than once. I have called My name, I have called their name, I have called out their name to come to Me. I have blessed, I have spoken, I have healed, I have empowered, I have sought and sought My family.

I have called them to My side so many times. I speak so often to My family. I speak so often to so many—multiple and many times a day, but they know Me not, they know My voice not. They know not what I am doing for them. They know not what I am giving them. They know not how I am making Myself manifest to them. But Ted, all of that is changing. All of that is changing and you will help change it. I am changing now as I reveal Myself more than I ever have in My entire past.

I am revealing Myself more than in the history of mankind. I am calling forth My family to My table and the receivers will receive Me and receive My regal-ness and be regaled. And the rejecters will forfeit their birthright, forfeit their heritage, forfeit what I did for them on the Cross. Forfeit what was provisioned to them when the veil was torn in two and the Holy of Holies became open and all mankind could address Me directly.

I have waited for this for many years—much time, as you would say. I have waited but My time is now. My time is now and your time is now if you are willing to move completely in Me, and you are Ted.

2. What about you reader, hearer, listener, wonderer of these words—what they mean, and if I am really in them, if I really am who I say I am, and if I am really doing what I say I am doing. If you don't think so, or even if you think so, you will see, you will see and you will stand in awe at the move of My hand this year. You will stand in awe of them, of the mighty things that happen and they are coming about at light speed. I am light and My Body is light and light is coming upon My Body like never before—

My Body empowered to know My body, My body empowered to walk as I designed—networks and networks, power, maturity, strength, blessing, peace, prosperity, humility, meekness, contentment, Godliness, righteousness—attributes of Me become manifest through the love of My family to My family, to all peoples, regardless of race, creed, or socioeconomic standing in any culture or society.

3. My love knows no bounds and My love increases and comes forth now in full regalia, increasingly full regalia to My people. You shall see and all shall see and stand in awe. Watch Me.

4. Watch what I do with the consecrated heart who has sought righteousness and peace and obeyed Me when I have corrected: provided restitution for wrongs, and glorified My name, regardless of the consequences.

Watch Me. Watch what I do with the consecrated, watch what I do with them. Wait till you see leadership of Me empowered by Me, leadershipped by Me at My knee—increasingly, increasingly coming forth, freedomizing all that they influence, all who they influence—writing, writing Me, writing My words: revelation of My scripture after scripture after revelation after revelation after scripture: connecting, connecting, relationshipping, demonstrating Me.

5. I love you Ted. I love you everyone: every single one of you I died for, I crafted, I created. You are Mine. I beg you to come to Me with no holds barred. Seek Me now while I may be found so easily, and be changed into My likeness so that you can do so many things and enjoy so many wonderful people of righteousness in My big world and what I am doing.

6. The new paradigm is priceless. The old one is powerless, but the new one is pearled, pearled with the Pearl of Great Price—Me. I am the Pearl.

I am the Master Designer and I designed you and I placed My design in you, upon you, and I call that design forth now in fullness of Me.

I call forth My Body in fullness as I present My fullness more and more.

7. I call forth the schools that I have told and foretold and described and directed, repeatedly now, for months and months through your words. I call them forth and into manifest glory will I place them—

8. Consecration of the highest order, consecration before Me. No holds barred and I will place none on Me. Come and see what I create. Allow Me to reign forth—reign forth My beauty, reign forth My words—revelation in righteousness increasing.

9. I love you. I love you this day, My body. Come forth in power. Come forth in grace. Mediocrity not. Spirit of excellence come forth in My Body to seek Me and regaled be. I love you.

Study the words of My penman. Study My words. Fear not failure. Be not satisfied in any naive immaturity or ignorance but behold Me in these words and what I am calling for, who I am calling to, and for what purposes—Joel 2, Joel 2. How many times have I said it? How many times will I say it? Joel 2 released from the highest to the lowest, to every part of My land throughout My planet, My earth—surrendered not—battle enrages, war declared. I love you.

10. Go forth. Orthodoxy open. Giants increase. Matured ones lead and bear forth and reproduce matured ones who lead forth into maturity making master disciples. Lead forth, lead forth, smile. War in your joy, lead forth. Shrink not back. Come forward

now. Write what I have placed in your heart. Pull it out. Now is the time. Now is the time. Now is the time.

11. Connect, connect, connect with My chosen—those who have chosen Me and consecrated their all to Me. Connect, come forth and network in the new things I am doing and glorious be for Me in My glory. I love you and I thank you. And I bless you. I appreciate you, every single one.

12. I love you Tim [Stemple]. I love you Tim. I love your body and I love your family. I love you Tim and I call you forth. I call you out of the past and into the future. I call you into a new realm, a new realm in Me today, a new realm, a new realm today, Tim. Foster not the things which have hindered, the things least understood, but foster only Me. Focus on Me. Free Me and let Me come forth. Not in preconceived fashions, not prescribing to Me how I do what even you think I am going to do, or when I am going to do what. Fashion Me not into your hands but let Me fashion you completely into mine.

Release. Relax. Surrender. Release. Release all preconceptions. Release all these things, all those things. Release, relax and come forth in Me. Release, relax and let Me do what I want to in you, in your heart, and in your family—full, full, fullness. Thank you Tim. I love you. I love you so much. I thank you. Thank you for your tears for Me, in Me, and the hours you have spent with Me.

I bless you. I love you. I call you forth. I elevate you this day. Surrender, relax, release, and let Me do what I want to do. Thank you.
